Registration is on a first-come, first-serve basis and participants may only register for one session at a time. If your child has been in swimming lessons before, please bring the certificate from his/her last class to properly sign them up for his/her next class. If there is a question as to what level your child should be in, please check with pool management for the class records.

Parents, guardians, and/registered daycare, and/or home-care representatives must register their children. It is permissible for one family to sign up members of one other family; provided there is a signed permission slip from the family not in attendance.
